Answers:

1. Select one or more numbers from 1-15. Determine how much you would like to wager: \$1, \$2, \$5, or \$10 per number, and for how many draws. Every four minutes, the lottery will draw 1 winning number. If one of your numbers matches the winning number, you win the prize printed on your ticket.
2. Up to \$250 on a \$1 wager, up to \$500 on a \$2 wager, up to \$1,250 on a \$5 wager, and up to \$2,500 on a \$10 wager.
3. There are 5 CASH POP drawings a day.
4. On lottery monitors, and on the website.
5. CASH POP goes on sale Nov 17, 2024.
