Top Scratch Sell Sheet

Benefits of Selling Higher PP and Top Ranking Games

- More commissions with no additional labor.
- Selling top ranking games will encourage player to buy more.
- Players will spend more to win more.
- Encourage operators to upsell the players that are cashing their winnings (reinvestment opportunity).
- Games must be visible for players to see what is available.

Benefits to Agents & Operators

- Prizes are cashed at the retailer, creating selling opportunities for agents & operators.
- Agents & Operators can use players' winning experiences to promote their scratch games and encourage players to re-invest.
- Increasing scratch sales increases your commissions.
- Marketing support of game(s) will boost foot traffic to the booth e.g. updated menu boards, point of sale material, and display of waterfalls.

What it means for Players

- It's easy to play and win
- More winners! Favourable odds
- Simplified play mechanics and key number match

FAQ's - Frequently Asked Questions
